23 Civ. 4416 (LGS)

ORDER

LORNA G. SCHOFIELD, District Judge:

WHEREAS, the initial pretrial conference in this matter is scheduled for July 26, 2023.

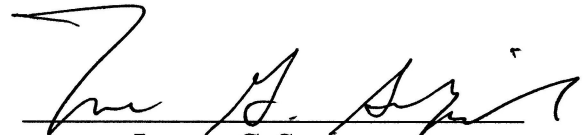

WHEREAS, no significant issues were raised in the parties' joint letter or proposed case management plan. It is hereby

ORDERED that the July 26, 2023, initial pretrial conference is **CANCELLED**. If the parties believe that a conference would nevertheless be useful, they should inform the court immediately so the conference can be reinstated. The case management plan and scheduling order will issue in a separate order. The parties' attention is directed to the provisions for periodic status letters, and the need for a pre-motion letter to avoid cancellation of the final conference and setting of a trial date. It is further

ORDERED that if Defendants seeks to file a motion to dismiss, they shall file a pre-motion letter pursuant to Individual Rules III.A.1 and III.C.2.

The parties are apprised that participation in mediation does not provide cause to stay discovery. The parties should be aware that the Court does not extend the deadlines for fact and expert discovery absent compelling circumstances.
